

Application for Peer Review of Competent Person/ Competent Mineral Asset Valuator

Please note that the peer review process in terms of the SAMREC and SAMVAL reporting codes is an indication that your peers believe that you are sufficiently knowledgeable and experienced to report on the mineralization type referred to in the specified Competent Persons Report or Competent Valuation Report only. This recognition is an indication of relevant past activity and/or qualifications, but is not a guarantee of future proficiency or competence.

This form will be reviewed by a peer review committee consisting of members from the SAIMM, the GSSA and the SAMCODES Standards Committees.
