Training programmes

Introduction to the SAMCODES and updates to other Codes is planned for October / November 2024. Dates will be confirmed in due course.

An ESG integration into SAMCODES presentation will be given at the SAIMM ESG conference planned for 16 - 17 October 2024.

Committee updates

	Continuation of incorporation of ESG Factors into SAMCODES and recommendations for additions into SAMREC Table 1 and SAMVAL
	Liaison with IMVAL for planning of conferences is ongoing
	SAMOG Code updates continued and will be finalised this year
	Draft updates to the SAMESG Guidelines 2.0 and ESG definitions is out for comment
	Progress is being made on the update of the Industrial Minerals Guidelines and a draft working document has been circulated for comment

SAMCODES ESG Working Group Activities

Draft documents from the SAMCODES ESG Working Group have been released for comments. The documents provide reviews of the disclosure requirements for incorporation into the SAMCODES. The Working Group wishes to close off its mandate by November 2024.

International Liaison

The Australasian Joint Ore Reserves Committee (JORC) has released the draft JORC Code for public comment and final review prior to the update of the JORC Code. The public feedback period is open for three months, closing 31st October 2024.

The CIM MRMR Conference, where the SSC will also be represented and immediately follows the CRIRSCO AGM, is planned for October 2024 in Vancouver.

JSE Section 12 Simplification

The JSE proposed amendments for simplification of the Section 12 Listing Requirements. Stakeholders submitted initial comments and the JSE is currently reviewing these. This process is ongoing and expected to extend into the new year following the consultations.
